Post 28 American Legion Baseball Player Information Sheet

American Legion Post 28, 94 West Park Drive, Spartanburg, SC 29306

** American Legion Baseball is a team concept program. Players are selected on merit, skill and commitment. In fairness to all who wish to compete - open tryouts are held annually. No roster position is held for any player, returning or non-returning. During the aforementioned times, the program will assume American Legion Baseball is your priority for the summer or until team play ends. For those athletes with planned summer vacations, trips, summer volunteering/jobs or who compete in more than one sport which requires additional summer camps/training, the following applies: all Post 28 players are expected/required to be available for all practices and games during the week(s) of the American Legion regular season (~May 10 – June 29), and playoff season (~June 30 – August 15) (District Tournament, State Tournament, Regional Tournament and World Series).

Will you be available to practice and play in games the entire American Legion Baseball Season and attend the banquet (~May 10, 2019 - August 20, 2019)?

Yes ___ No ___ Player signature _____

If you marked No, explain below.

Dates	Reason
